

2017 VicSRC RECOGNITION AWARDS

Nomination tips!

Top tips for making your VicSRC Recognition Awards nomination videos.

- #1 Don't stress - the story you share is more important than the tech you use!
- #2 Enter as many categories as you like! Five nominations = five videos.
- #3 Use the category descriptions to inform your video content.
- #4 Shoot your footage in landscape - it makes for a better viewing experience.
- #5 Use a smart phone, tablet, camera or video camera to capture your footage - anything that works for you.
- #6 Show us the 'what' but also the 'why', the 'how', the outcomes and where to next.
- #7 Where you can, include footage (or photos) of your team in action!
- #8 Don't just tell - show us how you use student voice to be representative beyond the SRC.
- #9 Interviews are a powerful story-telling tool. Let us hear from students involved in the project.
- #10 Get creative. Take a chance. Make that leap!
